

Deborah Allen, an extraordinarily talented singer, songwriter, performer and producer, is one of those rare artists who forged her own path to success, building a world-class career in the process. Deborah's signature smash, "Baby I Lied" broke all barriers and confirmed the idea that an artist could have success in several formats with the same song, Country, Pop and Adult Contemporary, resulting in two Grammy nominations for the Delta-songstress. The true measure of Deborah's influence in contemporary music is underscored by the hit singers diverse radio success. Songs like, "I've Been Wrong Before," "I Hurt For You," "Rock Me," "If You're Not Gonna Love Me," "Wrong Side Of Love," and "Break These Chains" are just a few of the singles that made their way up the billboard charts during her career. With more than 2000 compositions written and published, Deborah's songs have been recorded by such notable artist to as LeAnn Rimes,
